

Donate to NourishPHX & claim your State Charitable Tax Credit: Help Support Hungry Families in Arizona

The State of Arizona has a unique program that allows you to decide where you want your tax dollars to go for charitable purposes. NourishPHX is a Qualified Charitable Organization (QCO) for the Arizona Charitable Tax Credit that gives you the opportunity to donate up to \$400 for Single or Head of Household tax filings, or up to \$800 if married and filing jointly, and subsequently receive a **dollar for dollar tax credit*** for your contribution. Our QCO code is 20385. Please [donate online](#) or contact [Mary](#) at 602-775-5743 for more information.

***For example, if a single individual owes \$1000 in taxes but donates \$400 to a qualifying charitable organization, his tax liability is reduced to \$600.**

How NourishPHX uses your gift: Your donation will clothe, feed and provide employment support to more than 15,000 individuals that are served each year, 30% being children!

How It works:

The process for making a charitable contribution and claiming the Arizona Charitable Tax Credit is relatively straightforward. There are four (4) steps to document your donation and claim your tax credits:

- Donate to a certified charitable organization (QCO), such as NourishPHX, a 501c3 charitable organization.
- Maintain a receipt of your gift from the charity, in order to provide a copy with your tax filings
- Complete [Arizona Form 321](#) to claim your credit for your gift(s) or notify your tax advisor that you have made a Charitable Tax Credit Donation and give them our QCO code: 20385.
- Calculate your individual tax return (e.g. Arizona Form 140, 140NR, 140PY or 140X), subtracting your tax credits from your tax liability, in order to reduce your Arizona state tax.

Due Dates: The state of Arizona allows taxpayers to claim tax credits for gifts through April of the current year for the prior tax year.
